## ACOMPLISHMENTS

We have continued to proof read our drawings and tried to update our simulated plant production with two different simulators. The presentation slides were made and many presentation practices sessions were performed.

---

## MEETING NOTES

**Dr. Ajjarapu Meeting**                      3:00-3:30p 04/05/2016

We discussed the upcoming presentation and our content to present. Mainly making sure we knew the background and all assumptions made for our production and loss simulations.

**Dr. Amariuca Practice Presentation**                      2:00-2:40p 04/07/2016

We presented to Dr. Amariuca, this presentation was a practice session before the industry review panel. Overall he was impressed with the presentation, only commenting on a few organizational points during oral presentation.
